DECLARATION OF CONFORMITY

This device complies with Part 15 of FCC Rules. Operation is subject to the following two conditions, (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

U.S. Responsible Party: NEC Display Solutions of America, Inc.
Address: 609 Park Boulevard, Suite 1100, Kansas City, MO 64111
Tel: 800-821-8779
Type of Product: Remote control
Equipment Classification: Class II Peripheral
Model Specific: N/A

FCC Information

1. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

2. Reorient or relocate the receiving antenna.

3. Increase the separation between the equipment and receiver.

4. Connect the equipment into an outlet on a circuit different from that which the receiver is connected.

5. Consult your dealer or an experienced radio/TV technician for help.

The use of a non-shielded interface cable with this product may violate FCC regulations.

Notice: Modifications not expressly approved by the manufacturer could void user’s authority to operate the equipment.
